Denier	1000 x 1000
Tensile Strength	DIN EN ISO 1421 Along: 163 lbs/in Across: 128 lbs/in
Tear Strength	DIN 53363 Along: 61 lbs Across: 47 lbs
Finish & Colour	Matte white
Print Compatibility	Solvent, eco-solvent, latex, UV-curable
Outdoor Durability (based on proper printing and installation procedures)	Up to 2 years
Shelf Life	2 years from ship date
Available Sizes	54" x 55yd

Excessive ink saturation can reduce both tensile and shear strength, severely impacting durability. All data are based upon research which the Company believes to be reliable but does not constitute warranty. The purchaser should carefully consider the suitability and performance of the product for each intended use, and the purchaser shall assume all risks regarding such use. Proper banner finishing, preparation, and installation is required for optimum performance.
